Parent & Me Soccer Stars
Parent & Me is a parent-child pre-soccer, music, and movement program designed for toddlers between 12 and 24 months. Our program focuses on nurturing toddlers' physical, cognitive, and social skills through fun, engaging activities with our puppet friends, Mimi & Pepe. The curriculum is designed to be fun and engaging, keeping the toddlers interested and excited. We use imagery-based activities, highlighting the animal and the movement of the week.

Super Soccer Stars
Super Soccer Stars teaches the fundamentals in a fun, educational, and non-competitive environment. Our philosophy focuses on positive reinforcement, personalized attention, and a low child-to-coach ratio in every class. This approach ensures that each child builds confidence and develops skills at their own pace. Each week we highlight the theme, main objective, and class summary through our skill and early learning flashcards.
