Arrival & Departure Procedures

Drop off will take place on the East side of the building near the RAS room on Beloit Ave.

Please enter from 114th Pl. and exit on 115th St. so we can ensure there is only one entry/exit line.

Upon arrival, please exit the car with your child and ring the doorbell. A staff member will answer the door and have you sign in and bring the child inside.

Only one family at a time may enter the building/ring the doorbell. Please do not let your child exit the car until the doorbell area is clear. Staff will let another child into the building only when the sign-in area is clear.

Upon dismissal, we will have staff monitoring the door to see who arrives so we can get the child in a timely manner. Parents will wait by the door until the staff arrives with their child, opens the door, and have you sign out and then send them out. The next parent/guardian will enter the doorbell area only when the family before them has entered their car.

There is only one family allowed in the doorbell area at a time.

Children will be provided with an individually wrapped snack. Snacks will vary from day to day. If your child would like to bring their own snack daily, they may do so with the understanding of not sharing with other children due to allergies. Make sure staff is aware of any food allergies or other dietary needs.

Personal Belongings

There will be limited personal belongings allowed at RAS. Exceptions include: backpacks, and water bottles. School books and chrome books are allowed with their school supplies. We **DO NOT** provide school supplies. **For safety purposes we ask that toys, blankets, pillows, and handheld electronics remain at home.** Cell phones are to be left in their backpacks and turned off while attending our program. If they are found out of the backpack and not being used for emergency purposes, Worth Park District Staff has the right to take those cell phones away. A phone call will then be made to the parent/guardian.

Special Needs

If your child has any special needs, please contact the Youth Program & Events Supervisor or the Superintendent of Recreation before the child's start in the program so special arrangements can be made.

Behavior Management

To provide a safe and effective program for your child, certain rules and procedures have been established. Parents and staff are expected to work together to ensure that these parameters are established, and children are adhering to them.

Rules of behavior include but are NOT limited to:

1. Use of foul or vulgar language or action.
2. Endangerment to the safety and well-being of self or other participants, staff and/or public surrounding the program. (this includes, but is not limited to hitting, kicking, biting, choking, climbing, leaving the premise, entering prohibited areas, and rough play).
3. Intentional abuse or misuse of program equipment and facilities, or other participant's personal property. (Please note that any costs incurred due to damage of equipment or facilities will be invoiced to the offending child's parents. Additionally, personal property damage will be resolved by parties involved)
4. Blatant disrespect and disobedience to other participants, staff and public.
5. Theft of other participants' or staff's personal belongings, or program's property.

It is at the discretion of the Worth Park District staff to remove a participant at any time, and for any reason. Depending on the severity of the offense, immediate dismissal from the program may be implemented.

Grounds for immediate dismissal from RAS include, but not limited to:

- Behavior or actions that staff feel is uncontrollable and/or unsafe to the child, other children, or staff in the program.

Discipline

Program staff will discipline each child as necessary, using techniques such as, apologies, redirections, and loss of time in an activity. The program staff will also keep parents informed and ask for their cooperation with discipline as problems arise.

(5-6 year olds only) Children's appropriate behaviors are encouraged through positive discipline techniques. These may include calling attention to appropriate behaviors and sitting down and talking and discussing the positive choice in the situation. Violent behavior and/or constant refusal to comply with rules will lead to dismissal from the program.

Discipline Methods: A staff member will contact you for misbehavior that is against the park district behavior guidelines. If it continues the staff will follow:

1st Offense Staff will notify parents/guardians of child with a written warning incident report and the staff member will discuss the situation with the parent.

2nd Offense Staff will issue a written incident report to the parents. The Youth Program & Events Supervisor will schedule a meeting with the parent to review the situation, outline the next steps, and explain that further incidents may lead to suspension or termination, depending on the nature of the behavior.

3rd Offense The child will receive a Suspension or Termination Slip. The Youth Program & Events Supervisor will contact the parent the same day, and the parent will be required to sign the form. Based on the severity of the incident, the child will either be suspended or terminated. Suspensions will last for two weeks, while terminations will be in effect for the remainder of the program.

Automatic Suspension—Any bullying, inappropriate or threatening language, and instigating a inappropriate situation that leads to another altercation.

Automatic Termination—Any physical altercation included but not limited to:

Choking/Punching/Scratching and Spitting

Please understand we establish this policy for our protection and the safety of all the participants and staff members. We do not want to remove children from the program. We will work with parents and child to the best of our ability to correct and deal with any situations that may arise.

If a child receives an injury or illness that calls for emergency medical attention, the local fire department ambulance will be called, and the child will be transported to the nearest hospital emergency room treatment center. A staff member will accompany the child. The parent/guardian will be contacted immediately after an ambulance has been called. If parent/guardian cannot be reached the emergency contact will be called. Parents will be informed of minor accidents at pick-up time.

Please direct all questions or concerns to the Youth Program & Events Supervisor. We do ask that parents refrain from calling program staff during program hours for lengthy or personal conversations. Please plan for these conversations before or directly after the program hours. All arrangements should be made through the Youth Coordinator.

Discussion directly with another child in the program to discuss an issue or problem is prohibited.
