Magnify Dance Program

Magnify Dance

Ms. Shannon and Katie from Magnify Dance have been deeply rooted in the dance community on the southwest side of Chicago for over 12 years. The journey began when Ms. Shannon Edwards opened the original studio in Evergreen Park with her mother in 2013. The company has recently shifted to a sister duet with Katie McGuire. Magnify Dance is a newly rebranded company that focuses on technical and concert dance styles. Classes are structured, fun, whimsical, and technique focused. Every winter and spring, dancers perform in beautiful productions that bring their learned skills and abilities to life on stage. Previous productions include The Nutcracker, Cinderella, The Ruby Slippers, Wonderland, and more. Ms. Shannon has been teaching dance since 2008 and has been artistic directing since 2013. We are dedicated to the art of dance, passionate about creating and performing, and are most excited to begin our new journey in the Palos/Worth area. -Ms. Shannon & Katie
